This **comprehensive menu** list includes our full range of offerings, organized by category including **appetizers, entrées, sides, late-night snacks, desserts, and more**. These items can be selected à la carte to build a menu that fits your event, service style, season, and budget. **We also love creating custom menus**, so this list is a starting point rather than a limitation. For a more curated, cohesive direction, please explore our **sample menus**, which show how we compose complete event concepts from start to finish.
